Project Name:	Ageing Well	
Area of Glasgow:	Citywide	

Main contact

Calum Strang	0141 221 4576	calum@transformationteam.org
---------------------	----------------------	-------------------------------------

Activities

- Using a Capacity-building process, mentor and enable local faith communities to research and develop local projects that have a positive impact on the lives of older people living in their neighbourhood.
- Provide continuing support to **10 existing Ageing Well projects** helping them deliver services to a further **60 service users**.
- Having identified suitable local partners, develop at least **3 new local projects** that provide services to **40 new service users**
- Promote the use of an asset-based approach to development of local projects.
- Ensure the views and needs of participants will form part of the research element of each local project and inform the services and activities developed.
- Build in volunteering opportunities for older people as an integral part of each project, if appropriate. **20 new volunteers** (all age) will be recruited and trained.
- Review the projects and evaluate their contribution to the achievement of the stated aim and outcomes.
- Work alongside local Ageing Well projects to help them develop an action and funding strategy for their project beyond the Transformation Fund support.

- Recruit and train 6 new volunteers
- Assess referrals and either include on the waiting list for matching or signpost to alternate agencies.

Organisation Name:	Nan McKay Community Hall	
Project Name:	NMH Older Person Resource Centre	
Area of Glasgow:	South	

Main contact

Gills Hair	0141 429 5370	nanmckayhall@btconnect.com
-------------------	----------------------	-----------------------------------

Activities

- Personal Footcare Clinic. We piloted an innovative clinic in response to Scottish Government recent guidelines on Personal footcare. Whereby all nail cutting is considered a personal care task. It is the individual's responsibility to self-care either personally or with help from family or Carer. This service is vital to some older people who may need support to carry out this task.

Volunteers have been supported and received an education package from NHS GG&C Podiatry Service along with necessary equipment, and education materials. This is all delivered from an appropriate treatment room.

'Whilst in discussion with NHS that the total costs of this should not be passed to older people and/or voluntary sector, the running costs, materials etc. for initial year would be beneficial for success of project whilst the viability and partnership of such a service evolves.'

Monthly footcare for 43+ older (+ as numbers will increase as guidelines have effect on community throughout country)

- Fresh Fruit & Veg Social Enterprise: in response to not having a local supermarket, we piloted selling 'Fresh Fruit & Veg'. This was successful in the small scale but proved inefficient due to heat of hall affecting product. With grant from Council we have installed chill cabinets and have gathered a group of volunteers with an interest to operate this 'Social Enterprise'. The next stage is for this to be supported by specialist Fruit & Veg /retail support.

Supporting 8 volunteers over 20 weeks
30 + older people having daily access to Fruit & Veg and once publicity established we shall target all 800 homes within estate.

- Monthly Therapy Session 20 older people in hall. This has proven to be a highly beneficial service whenever we have had the finance to supply. Especially for older carers. '

.....

Organisation Name:	Pollokshields Development Agency
